KELDERMAN EN VAN NOORT

ABOUT
KELDERMAN EN VAN NOORT

KEVN IS THE HOUSE FOR 'MAKERS AND EXPLORERS'
With studios, exhibitions and a bar in green. For form and content, guests and friends, foodies and culture nerds. Kelderman and van Noort / KEVN was born in Keldermanstraat in 2008. Grew up on the NRE site – and now lives in Woensel-West. Eindhoven.

Renting one of the spaces in KEVN not only means that your activity takes place in a creative and dynamic environment; you also help build a foundation from which KEVN can support new ideas. By renting out our public spaces we make other activities possible. Your event will often take place in a lively environment at the same time as other (cultural) programs. There are many possibilities and we aim to be flexible and deliver customized solutions.

This document provides you with all the information on our packages, the rates and capacity. You can contact Event@kevn.nu to rent spaces. Please indicate when you want to plan the event, the start and end time, the number of visitors you expect and whether there are any special wishes such as a projector, lamps or catering.
